

# Communications Support

## rejesus.co.uk

## The Task

- To generate ideas for the promotion of rejesus among the audiences it seeks to reach
- To promote rejesus as a resource for the church through denominations, networks and local churches
- To create and publish press releases and articles regarding new and existing work
- Work with the Trustees in gathering stories useful in preparing trust applications and other publications

## The person

- Strong network links with a broad range of churches, denominations and networks
- Experience of writing and publishing press releases
- A practising Christian with a heart for mission (this is because they will be involved with communicating the Christian message and required to respond to questions of faith)
- A passion for the work of rejesus

This is a voluntary post covering a few hours a week for which reasonable expenses will be paid.
